

Taking the Advanced Placement exams is an important part of all AP courses. Scoring well on an AP exam can often earn students college credit for their high school class and can save a significant amount on college tuition. In addition, the practice students' gain in taking the AP exams prepares them for college style testing.

The 2017 AP exam registration is online. The cost of each exam is \$93.00. BHS believes that every student should be able to take their AP exams. Students requiring financial assistance should contact Mrs. Janice Dempsey, janice.dempsey@bvsd.org, in the Counseling Office to learn more and pick up the form to apply for a fee waiver prior to March 1st. After this date, funds will be unavailable.

To register online, go to www.TotalRegistration.net/AP/060148.

To complete the registration, students must:

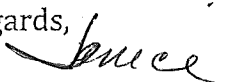

- Answer all of the required questions.
- Turn in a copy of the AP registration Confirmation page to the Counseling Office.
- Submit the testing fees to the Counseling Office by the deadlines listed below.

Here are the important dates for the registration process:

- February 1st through March 10, 2017 - Complete Registration and exam fees submitted to the Counseling Office.
- NO Late Registration
- Friday, March 10, 2017 at 3:00 PM – Registration Ends.
- Monday, March 13, 2017 at 3:00 PM – Last day to turn in exam fees.

We know that parents may desire to register their students for exams. We strongly recommend that parent and student are both present while registering to ensure that the correct exams are ordered. Sorry, we do not have the ability to accept credit cards at this time, so please send in a check made out to BHS, or cash for the exam fees.
