

**BROOMFIELD HIGH SCHOOL**  
**Course Selection for 2019-2020 School Year**  
**FRESHMAN WORKSHEET/GRID**

Name: \_\_\_\_\_

As you complete the course selection process, consult the academic guide, particularly the freshman page. The more accurate your enrollment is the fewer scheduling problems you will experience later. Be sure to only sign up for classes that are open to freshmen. Also, be sure that you have studied the graduation requirements in the course guide and that the courses you select are part of your long-range plan to fulfill graduation requirements and prepare you for your post-secondary plans. When in doubt about how to complete this page or which course choices to make, ASK a teacher, counselor, or parent.

Freshmen must be signed up for 10 credits of Language Arts and 10 credits of Social Studies, 5 credits of Wellness in Action, 10 credits of Math, and 10 credits of Science. If you are not sure which level of Math, Language Arts or Science in which to enroll, consult with your eighth grade teacher for appropriate placement. Freshmen must take at least 60 credits.

**Please take course selection seriously.**

**COURSE SELECTION WORKSHEET/GRID, Please note: The space provided below is for your working notes only AND WILL NOT BE REVIEWED by school personnel. Signing up for a course in the first or second semester does not guarantee a spot in a first or second semester class; you are selecting classes for the year.**
