INTRODUCTION

This handbook is meant to be a quick reference guide for students, staff and families at Broomfield High School. As a school in the Boulder Valley School District (BVSD), Broomfield High School (BrHS) follows the rules, policies and regulations outlined in the [BVSD Student Rights and Responsibilities](#).

SCHOOL INFORMATION

Building Hours: Daily building hours are Monday through Friday, 7:00 a.m. to 3:30 p.m. Students are not to be in the building at any other time unless under the direct supervision of a member of the school staff.

Emergency Drills: Fire Drills: Schools are required to conduct monthly fire drills. Students are to follow instructions for evacuation. Multi-hazard Drills: Schools are required to conduct one lockout drill, one lockdown drill, and one shelter-in-place (tornado) drill per semester. Students are to follow instructions for each kind of drill.

Health Services: Broomfield High School has a full time Health Room Para in the Health Room, Carol True, and a full time registered nurse, Kelli Preston. If a student becomes ill, injured, or in need of medication at school, they must report to the Health Room or Main Office and may not leave the building without authorization from the Health Para, Nurse, or Main Office personnel. Mrs. True is available during posted times. If a student needs medications during the school day those medications need to be kept in the Health Room with a current doctor's order, so the student does not have to leave school. Boulder Valley School District policy states that no student may carry medication or keep it in their backpack or locker. All medication given in the Health Room requires a current prescription and parent permission. Emergency Medications (ex: EpiPen or inhalers) may be carried with doctor's permission. Forms are available online and in the Health Room. See Mrs. True with your questions.

Library Media Center: The Library Media Center is open each day per posted hours for study, reading, and research.

Posters and Announcements: All posters placed in the school and announcements to be read must be approved by an administrator before posting .

School Closings/Emergencies: In the event of a weather closure, BVSD sends emails and phone calls to families and employees. Text messages are sent to those who have opted in. A notice is posted on a red banner that will appear at the top of the BVSD website (bvsd.org) and alerts are sent to the official Mobile App.

Security: New safety and security protocols have been put in place in BVSD high schools district wide. These include interior and exterior cameras and fobbed (electronic entry) ID badges for staff and students. ID badges must be worn and visible at all times for all staff and students. Doors may not be propped open or held open for anyone without an ID badge.

New in 2018: Buildings and Grounds Security / Video Surveillance Procedures (District Policy ECA/ECA-R)

- video surveillance may occur on District property and on vehicles used for District-provided transportation;
- video cameras may be placed in locations deemed appropriate by designated school administrators, including exterior and interior locations;
- video surveillance cameras will not be concealed in any manner and will not be used in locker rooms, restrooms, gymnasiums, auditoriums, individual offices or classrooms. Permissible locations include outdoor facilities, school buses, and common areas in indoor facilities (such as hallways, lobbies and stairwells.);
- video monitoring may occur before, during or after school hours;
- video recordings may be used in connection with the enforcement of Board policy, administrative regulations, building rules and other applicable laws, including student and staff disciplinary proceedings and matters referred to local law enforcement agencies;

- video recordings may become a part of a student’s educational record or a staff member’s personnel record;
- the District will comply with all applicable state and federal laws related to student data privacy and record maintenance and retention;
- The policy and regulation are available [here](https://bvsd.org/policies/Policies/ECA.pdf): bvsd.org/policies/Policies/ECA.pdf and bvsd.org/policies/Policies/ECA-R.pdf

Visitors: Visitors are allowed on campus for official school business. Students from other schools, family members, or others who wish to visit current students must get advanced approval from an administrator before planning a visit. Due to BVSD safety and security protocols, all visitors must check in through the front desk in the Main Office and wear a visitor badge at all times.

STUDENT INFORMATION

Activity Ticket: A \$35 activity ticket may be purchased that allows students to attend home athletic events with no additional charge (excludes play-off games).

Fees: Fees are required for students taking certain courses. All fees have been approved by the Board of Education. A list of approved fees is located on the BVSD webpage. First semester fees are invoiced at the end of August, and second semester fees are invoiced at the end of January. Fees are due by the end of each semester.

Lockers: Student lockers are school district property. Lockers may be searched by the principal or designee when there is reasonable suspicion that school policies, district policies, or state laws have been breached. Students are responsible for maintaining a clean locker and are to report any malfunctions to the Attendance Office. Locker combinations should be kept confidential to avoid possible thefts. Items of value should be left at home, not in a locker. The school and district do not assume any responsibility for stolen items. Requests for locker reassignment are made in the Attendance Office.

Lost and Found: Lost and found articles may be turned in or picked up in the Main Office. Articles not claimed in a reasonable length of time will be donated to a charitable organization.

Make Up Work and Finals: Students are responsible for contacting teachers proactively to arrange for make up work. Final exams are given in all courses each semester and permission to take exams early or late may only be granted by the principal for extenuating circumstances.

Parking: Only seniors and juniors may purchase a parking pass. Students will be required to obtain a parking permit allowing them to park in the designated student spaces ONLY (seniors \$30 for the Senior Lot, juniors \$15 for the lot off of Miramonte and Daphne). Parking permits, one per student, will be offered in the fall. Permits are issued to registered student's vehicles ONLY. Having a permit does not guarantee a parking spot in the lots. A campus monitor will randomly check lots. Cars parked in the wrong lot or with no sticker displayed on the front windshield, on the lower left corner on the inside, will be ticketed for a fine of \$25. After the second ticket, the vehicle may be towed at owner's expense. Students are not allowed to park in the south and north faculty parking lots, in the vicinity of the sheds or tennis courts, in fire lanes, or along any painted curb at any time. Students may not park in any dirt lot. Vehicles parked in these areas will be ticketed or towed at the owner's expense. Students are not allowed to loiter in cars. Automobile misuse may result in parking privileges being revoked. The school district does not assume any responsibility for items stolen from or damage done to vehicles in the parking lot.

Student IDs: Students will be issued a free student ID card, lanyard and case at the beginning of the school year or when they enroll in the school. Students are required to wear their ID at all times while on school property. Their ID will be used for gaining access to the building, as a library card, and also to enter school dances and activities. The replacement Cost is \$10.00. See Mrs. Trujillo in the Main Office for replacements.

Textbooks: Textbooks are furnished by the school district and checked out to students each year. Students who lose or damage a book will be assessed a fine.

RULES OF STUDENT CONDUCT

As a school in the Boulder Valley School District (BVSD), Broomfield High School (BrHS) follows the rules, policies and regulations outlined in the [BVSD Student Rights and Responsibilities](#).

Dress Code: Students may be referred to an administrator for clothing that includes, but is not limited to, articles considered "revealing;" those advertising alcohol, drugs, tobacco; garments with obscene/offensive language/graphics; sunglasses, bandanas, chains, etc.; anything with spikes/chains, and pants that "sag." Shoes must be worn at all times.

Most of the above is self explanatory, but what is considered too revealing for school? Here are some guidelines:

- Tops without straps, backs or sides;
- Cropped tops that show the stomach;
- Shorts, skirts or pants that are either too short or too loose to fully cover students' rear ends or thighs; or
- Muscle shirts / t-shirts with the sides cut off.

If in doubt, we ask that you err on the side of caution and appropriateness. If a staff member refers a student to an administrator for a dress code violation, the student will be asked to change clothes. A parent or guardian may be contacted. Repeated violations will result in disciplinary action.

Food and Drinks: Food and drinks are not to be consumed in carpeted areas or hallways where classes are in session. Students may eat in the cafeteria area or in designated outside areas. During lunch, students may also eat in the Auditorium Lobby, Main Lobby, or in the courtyard. Students are to keep all opened containers of food and drink out of their lockers for sanitation and health reasons.

Hall Passes: Students are expected to be in class during the time class is in session. When a student leaves any class for any reason, he/she must have a hall pass.

Messages: Only emergency messages from parents will be accepted and conveyed during the school day.

Skateboards and Bicycles: A student may ride a skateboard or bicycle to school; however, these items are not to be ridden on school property. Violation of this rule will result in items being confiscated. These items should be locked up with a secure system in the racks provided. The school is not responsible for the loss, theft, or damage of student property.

Thefts and reporting: Students are reminded to secure bicycles, automobiles, valuables, and their lockers. The school is not responsible for lost or stolen items. Students who lose or have reason to believe their personal property has been stolen/vandalized are advised to make a report with the SRO. Filing this report will assist the school and the police, should their involvement be warranted, in retrieving the lost or damaged property.

No schedule changes are allowed but students who have a full schedule may be allowed to drop courses according the guidelines below.

A full schedule for freshmen and sophomores is six courses each semester, juniors and seniors is five courses each semester. Students register each spring for the courses they plan to take the following year. New students will register with a counselor in the Counseling Office. Course catalog is online. Students and parents are strongly encouraged to formulate course requests together as course changes and drops are restricted.

Students who drop the class after the 30th day will receive an "F," regardless of the quality of the student's work. In extremely extenuating circumstances, the building administrator or designee, in consultation with other professionals with knowledge of the student's situation, may also exempt a student from the practice of assigning an "F" for a class dropped after the 30th day, regardless of the quality of the student's work.

Progress Reports: Progress Reports will be communicated to parents four times per semester through Infinite Campus. These reports describe progress by the student.

State Standardized Testing: In April, 9th, 10th and 11th grade students participate in state testing. Testing makeups are time-consuming and difficult to schedule, and can cause students to miss class. Please try not to schedule appointments during the state testing window.

Withdrawal from School: Any student who transfers from Broomfield High or leaves permanently must obtain a withdrawal form from the Counseling Office. A parent's signature is required. All fees are to be paid, and if applicable, the Chromebook returned before transfer grades or transcripts will be released.

5. Students must earn at least 50 BVSD credits in order to receive a BVSD diploma.
6. All graduation honors will be determined at the conclusion of a student's seventh semester.

Please note: Graduating seniors and parents are responsible for keeping their own records of progress.

ATHLETICS/ACTIVITIES

The philosophy of the Office of Athletics and Activities at BrHS is to teach, counsel, encourage and present an opportunity for students to experience successes that will carry into their adult life. Initiation and hazing for participation in any club, sport, or activity is not permitted. Athletic fees are \$185 per sport with a maximum of \$405 per family per year.

All students must sign the [BVSD Code of Conduct](#) prior to participating in any athletic activity. This Code of Conduct is enforced year round for any student athlete.

It is the purpose of athletics and activities to promote the physical, mental, moral, social, and emotional well-being of the individual participants. Student conduct at athletic events must support this purpose and the educational values inherent in interscholastic events. Fair play, courtesy, generosity, self-control, and friendly feelings toward the opposing teams or schools must not be sacrificed in the desire to win.

The expectation at Broomfield High School is that students exhibit courteous, friendly, and fair treatment to visiting players, school officials, fans, and game officials. Students and all spectators are reminded that taunting, profanity, unsafe behavior in the stands, or any unacceptable conduct will result in removal from the activity and possible future activities. Taunting is defined as any actions or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the words are vulgar or racist. The image and reputation of Broomfield are best served by having a large and devoted spectator section whose conduct typifies all the expectations of good sportsmanship.

Athletic and activities eligibility guidelines are in accordance with Colorado High School Activity Association rules. All students involved in athletics and activities at Broomfield High School must be taking and attending at least five classes and failing no more than one class. Failure to do so results in the students being ineligible for the next week's contests. Additionally, if a student is failing the same class two consecutive weeks, he/she will be ineligible for the following week's contests.

NCAA eligibility: It is extremely important for students who are considering playing Division I or Division II sports in college to be informed about NCAA eligibility requirements. The NCAA has determined that high school students need to carefully consider eligibility standards when making high school plans and course selection. Students can be ineligible to play college sports if they do not adhere to NCAA Eligibility Guidelines.

The NCAA Core Course requirements stipulate that student athletes must complete specific courses in English, mathematics, science, social science and additional electives in foreign language, computer science, philosophy or non-doctrinal religion. Please see the NCAA Eligibility Center for specific requirements for Division I and Division II athletics.

Parents and students should know that not all courses that BrHS offers are accepted by the NCAA Eligibility Center. More information is also available on [this link](#). After completing their junior year, students will need to submit an online registration form with the NCAA Eligibility Center certifying them as eligible if they intend to participate in Division I or Division II college athletics next year. Students should see their counselors to clarify any of the above information.
